THE JOURNEY

MyElearning.Education

Growing Entrepreneurs

Take your business from **OK** to **AWESOME** with the MyElearning.Education

NEEDS ANALYSIS TOOL

The **NAT** is a business management **problem identification tool** for the entrepreneurial business which:

- **Determines** what prevents the growth of your business
- **Distinguishes** between real and perceived problems
- **Prioritises** the challenges the entrepreneur is facing now
- **Assess** the development needs of an entrepreneur
- **Identifies** which soft skills or business knowledge must be developed as a priority

EACH ENTREPRENEUR FACES HIS OWN UNIQUE CHALLENGES

It's important to **identify** and **understand** the business and personal issues that prevent you from achieving your ambitions in life.

YOUR PERSONALISED PLAN OF ACTION

HOW IT WORKS

The **NEEDS ANALYSIS TOOL** ranks and rates your answers to the online questions.

FREE NEEDS ANALYSIS

YOUR SITUATION NOW, AND WHERE YOU WANT TO GO

To assess your needs in order to create a personalised recommendation, we'd like to understand your current position. **So please complete the questions on the website**

IT PRIORITISES THE UNIQUE PERSONAL AND BUSINESS-RELATED CHALLENGES YOU FACE AS AN ENTREPRENEUR.

MyElearning.Education will curate a development action plan for you, based on the prioritised list of your particular personal and business challenges.
